

THE Rio Rotarian

If life were fair, Elvis would still be alive today and all the impersonators would be dead. ~ Johnny Carson

- Pres. Jon calls meeting to order promptly at 7:00 a. m. Ken pledges, Ted prays, J Mac sings, "King of the Road."

Visitors and guests

- Well, the Lions can take heart because it was just too darn hot for any visitors, guests, Interact members, and most Rotarians. Still, a handful of our more stalwart members did show!

Pres. Jon conducts a sparse meeting of dyed-in-the-wool Rotarians who brave the sizzling temperatures at 7:00 a. m. One member raises Jon's ire when he complains that our Pres. should be taller to block the direct sunlight in his eyes.

Vets' golf tournament

- Rio Vista's American Legion Post 178 will hold the 6th annual Kinser Memorial Cup Golf Tournament at the Rio Vista Golf Course Friday, October 9. Proceeds help fund the retired vets' homes being constructed adjacent to Veterans Hall.

The great Chromebook hunt is on

- Bob reports that although all of his ducks were in a row when our club received a \$4,000 grant from District 5160, a monkey wrench was thrown into the works when school districts suddenly started scrambling to buy up every Chromebook on the market to use for distance learning. However Bob's crack team of Jay Huyssoon, who's currently scrambling around in Mexico talking to a Google representative, and Leon Guzenda's computer mole, who routinely deals in hundreds of computers, have cast their nets and are determined to ferret out every last Chromebook on earth for our little 16-unit project. Never fear! We shall prevail.

Marble draw

- Ken Wudel is lucky with tickets, but not lucky with marbles.
