I have kleptomania, but when it gets bad, I take something for it. ~ Robert Benchley

Bob Bard, Ed.

Pres. Gene welcomes us to Charter Night. We join in a moment of silence honoring departed Rotarians, Hank Simonsen, Marta Dron, Fred Harris and Shari Quilici-Gardiner. We wish the very best for Gary & Prudi!

Gene introduces DGE Steve Lack, an incredibly talented, dedicated Rotarian. Steve gives us an inspirational talk making us all extremely proud of RI's global accomplishments. He'll be a dynamite DG.

Sue and Jim McCracken attend Charter Night and learn more about Rotary.

Sgt.-at-Arms Molly Coito & DGE Steve Lack enjoy dinner at Nines head table.

Pat and Pres. Gene--a dream team come true, infusing excellence into our club.

The ever photogenic couple, Valli and Chief Greg Bowman pause for the camera.

Bev will likely be one of our best prepared, most enthusiastic presidents ever.

It's always a pleasure to see Hector and Stephanie enjoying good Rotary fellowship.

Here're Elaine and Neil Hamilton. Neil joined in '67, and was Pres. '78-'79. Only Hank can beat that; he joined in '61.

Lim Larsen has handled more red tape for us than you can imagine...don't even try.

Wayne and Connie Woodward are great Rotary supporters.

After feeding others all day Derek Jones gets a chance to relax and dine in style.

Evelyn and Jim Wilson join us for fellowship, dinner, ambiance and a program.

Here are Drs. Joe and Monica Awen-der, taking a break from a busy schedule.

Karen Smith rounds out our roster, giving us a presence on the Chamber Board.
